Hey, Heledore Babe

Josie's laughing Seeing mother in the grave Josie's screaming Cause daddy holds her during storms

Heledore babe
There are snakes
In her burning brain
Heledore babe
It runs with blood in her veins

Josie can see Things no one else can see Josie's dying Since she saw Bob Cooper's face

Heledore babe
There are snakes
In her burning brain
Heledore babe
It runs with blood in her veins

Heledore babe
There are snakes
In her burning brain
Heledore babe
It runs with blood in her veins
