

# Hey Monday, Josey

The drinks are flowing  
Just like the river  
Then she keeps going  
The whole night ends with a blur  
She's got no limit  
She thinks she's so tough  
Can't walk a straight line  
The end of the night, she's rough  
Her dress whispers reckless  
The night starts now when she slips on her necklace

Josey, don't you worry  
It's just a phase you're going through  
Someday you'll know just what to do  
Josey, it's alright  
Slap the hand that just keeps pouring  
Doesn't matter, just do something

She's ready to roll  
Tonight is different  
She'll start it off slow  
To keep herself in check  
Oh, no oh, no  
It's two for one  
She starts the show now  
From this moment on, she's done  
Her dress whispers reckless  
The night starts now when she slips on her necklace

Josey, don't you worry  
It's just a phase you're going through  
Someday you'll know just what to do  
Josey, it's alright  
Slap the hand that just keeps pouring  
Doesn't matter, just do something

The party is tonight  
And she thinks they're playing her song  
The party is tonight  
And it's playing all night long

Josey, don't you worry  
It's just a phase you're going through  
Someday you'll know just what to do  
Josey, it's alright  
Slap the hand that just keeps pouring  
Doesn't matter, just do something
