

Hi-C, X Pills

Ecstasy, ecstasy, ahh
Ecstasy, ecstasy, what?
Ecstasy, ecstasy, huh
Ecstasy...

[Hi-C]

Now it's this little bitty pill that be doin the most
Throw it down your throat, chased by Remy and Coke
Give it a few minutes and watch it go
Where they gettin this shit from? Nigga I don't know
Got niggaz talkin about it, bitches sayin they got it
Everybody hollerin, like they can't do without it
I tried to figure out what all the fuss is about
But I guess I'll never know until it hit my mouth
Some call it the X, some call it the E
Whassup? Why'ontch'all introduce this bitch to me
So I can take her by the hand turn around and tap her dead on that ass
Tongue kiss and we was doin it bad
7-6-5-4-3-2-1 blast!
I'mmmmmmm so hiiiiiiiiigh, I hope I never crash
Baby so bad, she can take over the world
Got party people screamin out "Go on girl!"

[Chorus]

We got some big body bitches in the place to be
They off the - ecstasy, ecstasy
They layin in the hot tub gettin wet for me
They off the - ecstasy, ecstasy
And they actin like they wanna have sex with me
They off the - ecstasy, ecstasy
Man I wish these playa hatin niggaz'd stop sweatin me
I'm off the - ecstasy, ecstasy

[Hi-C]

I fell into the club, honies showin me love
Was it me? Or was it that pocket full of dove?
I kicked a convo, baby gave me a hug
Then introduced me to this brand new drug
Said you heard of ecstasy? I said I listen to Barry White
She said it's more like Betty White nigga, tonight's the night
I pulled ten bucks out the cut, she grabbed it
Then zoomed to the lockerrom and snatched a tablet
Damn, that's it? It's big as a Tic-Tac
But bomb enough to put a bull on his back
Watch out, give me that, I took it to the neck
Then baby said prepare for the bombest sex
I can hear my heart beatin, my head started to sweat
It took over my body, it made my dick stretch
I couldn't figure out what was wrong with me
She said baby don't trip, that's the ecstasy

[Chorus]

[Hi-C]

Man the spot about to close and I'm high as fuck
So I downed the drink, and wobbled to the truck
Valet took the ticket and pulled right up
He passed me the keys, so I threw him a buck
I jumped in the ride, turned on the TV
I swear y'all, it looked like a picture of me
Straight bangin two bitches in the SUV
Ay wait, hold up, save some for me
So I jumped on screen, started gettin my pipe sucked
But damn, hold up, who drivin the truck?

Man I didn't give a fuck I'm havin too much fun
Straight Killa Cali style nigga under the sun
Cruise control kicked in, I was doin a hun'
Had the beat on blast, right past the one's
Before they pulled me over I was under arrest
I jumped out asshole naked, doin sobriety tests

[Chorus]

We got some big thick bitches in the place to be
They off the - ecstasy, ecstasy
Man I asked her for some skull and she gave it to me
She off the - ecstasy, ecstasy
Now she actin like she wanna have sex with me
She off the - ecstasy, ecstasy
Damn baby you can get it stop sweatin me
I'm off the - ecstasy, ecstasy

[ad libs to fade]
