

Hi Standard, Can't Help Falling In Love

Wise men say,
Only fools rush in.
But I can't help fallin in love with you.
Shall I say,
Would it be a sin?
If I can't help falling in love with you.

Like a river flows,
Surely to the sea,
Darling so it goes,
Somethings are meant to be.

Take my hand,
Take my whole life,too.
For I can't help falling in love with you.
