

# Hi-STANDARD, Can't Help Falling in Love

Wise men say,  
Only fools rush in.  
But I can't help fallin in love with you.  
Shall I say,  
Would it be a sin?  
If I can't help falling in love with you.

Like a river flows,  
Surely to the sea,  
Darling so it goes,  
Somethings are meant to be.

Take my hand,  
Take my whole life,too.  
For I can't help falling in love with you.
