

Hi Standard, I'm Walkin'

Walkin' on my feet.
Feeling good, the way I like.
Nobody in my way.
Let's spit all around.
Spit in my enemy's face.
Poetic justice.
Ancient tradition.
That's my faith.
Nothing fresh.
But I see a moving place.
Nothing fresh.
But I like this way.
So I walk!
The youth, take it easy.
Don't think twice.
Because I worked hard now.
I'm walkin'.
Walking slowly.
Stepping on droppings.
Walking slowly.
Finding money sometimes.
