

Hi Standard, My Sweet Dog

You're such a cute boy.
I can't think of life without you.
Well, what is this smell?
Something stinks here.
Oh God! You're shitting on my bed.
I don't want to clean up f**king dog shit.
Again today I rubbed your nose in dog shit.
I don't wanna clean up f**king dog shit.
Again today I rubbed your nose in dog shit.
I'm playing a TV game.
It's so exciting.
I'm about to kill the biggest monster.
Well, what is this noise?
What are you crunching?
Oh God! It's a Hi Standard CD.
I don't want to clean up f**king dog shit.
Again today I rubbed your nose in dog shit!
