

Hi Standard, Pathetic Man's Song

Grabbing for pennies and missing the gold.
You had everything in life but weren't satisfied.
Now you have nothing at all.
You're covered in mud.
Pathetic man's song.
I feel for you but I don't care about you.
Pathetic man's song.
You f**ked up bad.
Power and money, there's never enough.
Why can't we be happy.
With what we have.
If I were you would I do the same as you did.
of can I learn from your mistakes.
What I should not do.
Pathetic man's song.
I feel for you but I don't care about you.
Pathetic man's song.
You f**ked up bad.
You f**ked up bad.
No one to blame but yourself.
