

Hi-STANDARD, Pathetic Man's Song

Why did you listen to that greedy bitch?
Grabbing for pennies and
Missing the gold
You had everything in life
But weren satisfied
Now you have nothing at all,
Youe covered in mud

Oh, pathetic man song
I feel for you but I don care about you
Oh, pathetic man song
You fucked bad

Power and money, there never enough
Why can we be happy
With what we have?
If I were you would I do
The same as you did
Or can I learn from your mistakes
What I should not do

Oh, pathetic man song
I feel for you but I don care about you
Oh, pathetic man song
You fucked bad

Oh, pathetic man song
I feel for you but I don care about you
Oh, pathetic man song
You fucked bad
You fucked bad
No one to blame but yourself
