

# Hi Standard, Pentax

Pay tax, payta, pay tax  
We're gonna pay tax  
Na na na na pay tax  
We're gonna pay tax

I never knew about such a duty  
When I was a child  
And now that I am paying  
I'm dreaming of running away

Pay tax, payta, pay tax  
We're gonna pay tax  
Na na na na pay tax  
We all have to pay tax

...In this country (?)  
Life is hard
