

# Hi Standard, Shy Boy

So my love has gone far away.  
I was worried all night long.  
But I can't say so because....  
I'm a shy boy.  
I know myself very well.  
I could not say I'm sorry.  
So my love has gone far away.  
I cried and cried all night long.  
But I can't regret because....  
I'm a shy boy,  
I know myself very well.  
Okay?  
My way is action not words.  
I'm not a toothless barking dog.  
This is the heart of real man.  
But she needed f\*\*king words of love.  
I'm a shy boy,  
I know myself very well.  
I could not say I love you.  
so my love has gone far away.  
i was worried all night long.  
But I can't say so because....  
I'm a shy boy,  
I know myself very well.
