

Hi-STANDARD, Shy Boy

I could not say "I love you";
So my love has gone far away
I was worried all night long
But I can say so because

I am a shy boy, I am a shy boy
I am a shy boy, I know myself very well!

I could not say "I sorry";
So my love has gone far away
I cried and cried all night long
But I can regret because

I am a shy boy, I am a shy boy
I am a shy boy, I know myself very well!

OK

My way is action not words
I not a toothless barking dog
This is the heart of a real man
But she needed fuckin?words of love

I am a shy boy, I am a shy boy
I am a shy boy, I know myself very well!

I could not say "I love you";
So my love has gone far away
I was worried all night long
But I can say so because

I am a shy boy, I am a shy boy
I am a shy boy, I know myself very well!

I am a shy boy, I am a shy boy
I am a shy boy, I know myself very well!
