## Hi-STANDARD, Sunshine Baby

Tu Tu Tu Tu Lu Tu Tu Yeah Yeah

When I first saw you, eye to eye with you My heart jumped and started to fly to the sky Over the heavy clouds

Now I got the sun, you are the sunshine I have never felt like this Youe one in a million

Sunshine baby, I a lucky man I living in the same age with you Don you think it must be a miracle That we met in this wide, wide world?

Tu Tu Tu Tu Lu Tu Tu Yeah Yeah

My knowledge to give, your love to receive Good times with the bad times, Baby we can get through this life

Sunshine baby, I a lucky man I living in the same age with you Don you think it must be a miracle That we met in this wide, wide world?
