

Hi Standard, The Kids Are Alright

I'm scared so is my girl.

That's why.

God wanted it that way.

But I know sometimes

I bust right out of line.

And I read how he had it.

The kids are alright.

Sometimes.

I think I can get away.

This time.

I know I can't get away.

But I know if I'm dumb

Or I'm out of my mind.

I read how he had it.

The kids are alright.

Yeah!

I know she thought he'd be all there for her.

I have been a friend.

I have been all good to her.

I don't mind.

I'm scared and so is my girl.

That's why.

God wanted it that way.

But I know sometimes

I bust right out of line.

And I read how he had it.

The kids are alright.
