

# Hi Standard, The Kids Are Alright

I'm scared so is my girl.  
That's why.  
God wanted it that way.  
But I know sometimes  
I bust right out of line.  
And I read how he had it.  
The kids are alright.  
Sometimes.  
I think I can get away.  
This time.  
I know I can't get away.  
But I know if I'm dumb  
Or I'm out of my mind.  
I read how he had it.  
The kids are alright.  
Yeah!  
I know she thought he'd be all there for her.  
I have been a friend.  
I have been all good to her.  
I don't mind.  
I'm scared and so is my girl.  
That's why.  
God wanted it that way.  
But I know sometimes  
I bust right out of line.  
And I read how he had it.  
The kids are alright.
