

Hi Standard, Wait For The Sun

Sometimes I feel like kicking my own rump.
Have no money, but big dreams.
Fight my way and wait for the sun.
Yes I still believe!
Wait for the sun.
Don't make light of me.
I win by all means.
I shall never give up.
Draw my chin in a fighting pose.
Keep breathing through until I fall down.
Nothing gives me more pleasure.
Then change the world.
