

# Hi Standard, Wait For The Sun

Sometimes I feel like kicking my own rump.  
Have no money, but big dreams.  
Fight my way and wait for the sun.  
Yes I still believe!  
Wait for the sun.  
Don't make light of me.  
I win by all means.  
I shall never give up.  
Draw my chin in a fighting pose.  
Keep breathing through until I fall down.  
Nothing gives me more pleasure.  
Then change the world.
