

# Hidell, Who I Am

Up and down  
Pass it around  
Smile and say  
This is where is want to be  
In the crowd  
They'll make you proud  
I'll smile and say  
This is where you want to be

Well I can't believe  
This is me

Well i was just living a dream  
Of what i want to be  
What I wanted to see in me  
But i know what to believe  
In who i am  
What I'm gonna be

Up and down  
Turn it around  
It's not ok  
I swear I'm gonna leave you this town  
I'll smile and say  
It's time for me to leave

Well I can't believe  
That was me
