

High And Driving, Baby Girl

Baby girl twist away
When you're talking to me
I can't breathe
Set some time aside to say
Why don't you stay
Two years later I still I feel like a child

You're the one
I know you are
(Answer me if you could)
You're the one
(No visitation, they said)
I know you are

This calm feeling ends

When you enter
Not many cigarettes left
And I'll wait... until you ... arrive
Don't want to, I want to
I wouldn't, I would

You're the one
I know you are
(Answer me if you could)

You're the one
(I didn't, I know it)
I know you are
(Meredith, I'll miss you when you're in Utah)
She's so lovely
