

# High And Driving, Baby Girl

Baby girl twist away  
When you're talking to me  
I can't breathe  
Set some time aside to say  
Why don't you stay  
Two years later I still I feel like a child

You're the one  
I know you are  
(Answer me if you could)  
You're the one  
(No visitation, they said)  
I know you are

This calm feeling ends

When you enter  
Not many cigarettes left  
And I'll wait... until you ... arrive  
Don't want to, I want to  
I wouldn't, I would

You're the one  
I know you are  
(Answer me if you could)

You're the one  
(I didn't, I know it)  
I know you are  
(Meredith, I'll miss you when you're in Utah)  
She's so lovely
