

High School Musical 3, Right Here, Right Now

[Zac:]

Can you imagine, what would happen
if we could have any dream
I'd wish this moment, was ours to own it
and that it would never leave.

Then I would thank that star,
that made our wish come true (come true)

Ohh Yeahh

Cause he knows that where you are, is where I should be too.

Chorus

Right Here, Right Now

Im looking at you, and my heart loves the view

Cause you mean everything

Right Here, I promise you somehow

that tomorrow can wait, some other day to be (to be)

But right now there's you and me

[Vanessa:]

It feels like forever, what could be better

We've already proved it was

That two thousand words, twenty three hours, have blended the universe.

Its gonna be, everything (everything)

in our whole world changed

(it starts changing)

and do know that when we are, (when we are)

our memory's the same

oh no, oh no

Chorus

Right Here, Right Now (right now)

Im looking at you, and my heart loves the view

Cause you mean everything (everything)

Right Here, I promise you somehow (somehow were gonna)

That tomorrow can wait, some other day to be (to be)

But right now there's you and me.

Bridge

Oh we know its coming (coming)

Oh its coming fast

Its always you and me, ohh yeah

so lets make this second last

make it last

Chorus

Right here,

Ooohh Right now.

Yeah im looking at you,

and my heart loves the view

Cause you mean everything

Right Here, I promise you somehow

That tomorrow can wait, some other day to be (to be)

But right now there's you and me

You and me

you and me

Ohh You and me

But right now there's you and me
