

# High School Musical, Breaking free

Troy: Were soaring, flying  
Theres not a star in heaven  
That we cant reach

Gabriella: If were trying,  
So were breaking free

Troy: You know the world can see us  
In a way thats different than who we are

Gabriella: Creating space between us  
Til were separate hearts

Both: But your faith, it gives me strength  
Strength to believe

## CHORUS 1

Were breaking free  
Were soaring, flying  
Theres not a star in heaven  
That we cant reach

If were trying, yeah were breaking free

Troy: Can you feel it building  
Like a wave the ocean just cant control

Gabriella: Connected by a feeling  
In our very souls

Both: Rising til it lifts us up  
So everyone can see

## CHORUS 2

Were breaking free  
Were soaring, flying  
Theres not a star in heaven  
That we cant reach

If were trying, yeah were breaking free

Running, climbing

To get to that place

To be all that we can be

Nows the time so were breaking free

More than hope

More than faith

This is truth

This is fate

And together, we see it coming

More than you

More than me

Not a want, but a need

Both of us breaking free

## CHORUS 2

Both: You know the world can see us  
In a way thats different than who we are
