

# High School Musical, It will never end

All:

We know now,  
Don't need a second thought  
It will never end  
There is a path not far away

Troy:

Where we'll find ourselves at crossroads  
Troy and Gabriella:

We can all join hands,  
and go one way

Gabriella:

Or we can chase down our dreams  
As the final song closes

Refren:

For all these years we've stood together  
Friends forever

Now we are gonna move on

The future is our divide

But our friendship

It will never end

Let's hold hands one more time,

Enjoy the night

Enjoy the memory

For it will never end

Sharpay:

In years from now

I'll walk down the road, see your face

Sharpay and Ryan:

The memories and laughter

Ryan:

The happiness will come flooding back

For this is what made us strong

Refren:

For all these years we've stood together

Friends forever

Now we are gonna move on

The future is our divide

But our friendship

It will never end

Let's hold hands one more time,

Enjoy the night

Enjoy the memory

For it will never end

Chad:

We're players one and player's all

Chad and Taylor:

The unknown destiny of our lives

Taylor:

It doesn't matter

How many falls it takes

Refren:

For all these years we've stood together

Friends forever

Now we are gonna move on

The future is our divide

But our friendship

It will never end

Let's hold hands one more time,

Enjoy the night

Enjoy the memory

For it will never end

Zeke:

Another day down

but so many more to come

Jason:  
What's been a warm up for  
what's to come  
Martha:  
We'll party until the sun  
rises again  
Kelsi:  
Write the lyrics to the next days song  
Tiara:  
I'll take your footsteps as a direction  
Jimmie:  
But I know to walk on my own feet  
Donnie:  
Just wait and see, watch what we'll do  
Refren:  
For all these years we've stood together  
Friends forever  
Now we are gonna move on  
The future is our divide  
But our friendship  
It will never end  
Let's hold hands one more time,  
Enjoy the night  
Enjoy the memory  
For it will never end  
Troy and Gabriella:  
The curtain closes one last time  
Sharpay and Ryan:  
We'll embrace each other once more  
Chad and Taylor:  
Then we're ready to say goodbye  
Zeke, Jason, Kelsi and Martha:  
And we know deep down  
Sharpay and Ryan:  
That it will never end  
Chad and Taylor:  
That it will never end  
Zeke, Jason, Kelsi and Martha:  
That it will never end  
Troy and Gabriella:  
That it will never end  
We know now,  
Don't need a second thought  
It will never end
