

# Highwater Rising, In My Head

She says  
that its in my head  
I cant let go of all the memories  
but I know  
I cant live in the past anymore  
she says  
she is all alone  
and that  
even when Im in the house  
it never feels like Im at home  
every time we spend together  
I'm tired and Im scared and Im upset  
but I still wanna try  
because  
I want everything  
to be the way  
it used to be when  
we could tell eachother  
that we loved eachother  
she is everything to me  
and I cant see  
how Im gonna leave  
I feel like  
I am all alone  
and I dont know if  
there is anyway she and I  
can make it on our own  
I wanna tell her how much I love her  
and how beautiful she is to me  
that I still wanna try
