

# Hikaru Utada, Come Back To Me

The rain falls on my windows  
And the coldness runs through my soul  
And the rain falls, oh the rain falls  
I dont want to be alone  
I wish that I could photoshop out  
All our bad memories  
Because the flashbacks, oh the flashbacks  
Wont leave me alone  
If you come back to me  
Ill be all that you need  
Baby, come back to me  
Let me make up for what happened in the past

Chorus

(Come back)

Baby come back to me (Come back)  
Ill be everything you need (Come back)  
Baby come back to me (Come back)  
Boy youre one in a million (Come back)  
Baby come back to me (Come back)  
Ill be everything you need (Come back)  
Baby come back to me (Come back)

Youre one in a million

(Youre one in a million)

Memories I have of Manhattan  
She goes shopping for new clothes  
And she buys this, and she buys that  
Just leave her alone

I wish that he would listen to her

Side of the story

It isnt that bad, it isnt that bad

And shes wiser for it now

I admit I cheated (admit I cheated )

Dont know why I did it (why I did it)

But I do regret it (do regret it)

Nothing I can do or say can change the past

Chorus

(Come back)

Baby come back to me (Come back)  
Ill be everything you need (Come back)  
Baby come back to me (Come back)  
Boy youre one in a million (Come back)  
Baby come back to me (Come back)  
Ill be everything you need (Come back)  
Baby come back to me (Come back)

Youre one in a million

(Youre one in a million)

Everything I ever did

Heaven knows Im sorry but

I was too young to see

You were always there for me

And my curiosity

Got the better half of me

Baby take it easy on me

Anything from A to Z

Tell me what you want to be

I open my heart to be

You are more priority

Cant you see you punished me

More than enough already

Baby take it easy on me

Baby take it easy on me

Baby come back to me

Baby come back to me

Chorus

(Come back)  
Baby come back to me (Come back)  
Ill be everything you need (Come back)  
Baby come back to me (Come back)  
Boy youre one in a million (Come back)  
Baby come back to me (Come back)  
Ill be everything you need (Come back)  
Baby come back to me (Come back)  
Youre one in a million  
(Youre one in a million)  
(Come back)  
Baby come back to me (Come back)  
Ill be everything you need (Come back)  
Baby come back to me (Come back)  
Boy youre one in a million (Come back)  
Baby come back to me (Come back)  
Ill be everything you need (Come back)  
Baby come back to me (Come back)  
Youre one in a million  
(One in a million)
