

# Hikaru Utada, Devil Inside

Everybody wants me to be their angel  
Everybody wants something they can cradle  
Oooh  
They don't know I burn!  
They don't know I burn!  
They don't know I burn burn burn!  
Maybe there's a devil!  
There's something like it inside!  
Maybe there's a devil!  
There's something like inside of me!  
Devil! Inside!  
Maybe there's a devil!  
Somewhere in me! Deep inside me!  
Devil! Inside of me!  
You don't know cuz you're too busy reading labels  
You're missing all the action underneath my table  
im waiting for my turn  
Just waiting for my turn  
Just waiting for my turn turn turn  
Maybe there's a devil!  
There's something like it inside!  
Maybe there's a devil!  
There's something like it inside of me!  
Devil! Inside!  
Devil! Deep inside me....!  
Ooohh Oooooohh  
Devil!  
There's something like it inside!  
Maybe there's a devil!  
There's something like it inside of me!  
Devil! Inside!  
Devil! Deep inside me!
