

Hikaru Utada, On And On

on and on and on...

I just wanna dance the night, the night away

go ahead and make my day, Mr. DJ

make the night go on and on

make the night go on and on

honeys if you're gay, burn it up

like a gay parade

honeys if you're straight, pump it up

take it all away

intoxicated, emancipated, unapologetic's what i am today

light me up

make the night go on and on and on

you know it go on and on and on

make the night go on and on and on

i'm livin up my life, until the day i die

don't need a lullaby

(on and on and on)

music got me sweatin hard

I feel my heart

bumpin like an 808

uh uh, okay

make the night go on and on

if you wanna mess with us

make the night go on and on

sink you with a counter punch

honeys if you're gay, burn it up

like a gay parade

honeys if you're straight, pump it up

take it all away

intoxicated, emancipated, unapologetic's what i am today

light me up

make the night go on and on and on

you know it go on and on and on

make the night go on and on and on

i'm livin up my life, until the day i die

don't need a lullaby

intoxicated, emancipated, unapologetic (on and on and on)

intoxicated, emancipated, unapologetic's what i am today

light me up

make the night go on and on and on

you know it go on and on and on

intoxicated, emancipated, unapologetic's what i am today

light me up

intoxicated, emancipated, unapologetic (on and on and on)

intoxicated, emancipated, unapologetic
