

# Hikaru Utada, You Make Me Want To Be A Man

I really wanna tell you something,  
This is just the way I am.  
I really wanna tell you something,  
but I can't?  
You make me want to be a man!  
Arguments that have no meaning;  
This is just the way I am.  
You really wanna tell me something,  
but you can't?  
You make me want to be a man!  
The thunder and the rain called you when you came.  
We didn't need to say much to communicate.  
Now it's different,  
99% is misinterpreted?  
I really wanna tell you something,  
This is just the way I am.  
I really wanna tell you something,  
but I can't?  
You make me what to be a man!  
Arguments that have no meaning;  
This is just the way I am.  
You really wanna tell me something,  
but you can't?  
You make me want to be a man!  
Every word you say finds a home in me.  
Nothing anyone could ever say could hurt me like this.  
Baby please don't light that cigarette,  
Don't light that cigarette?  
I really wanna tell you something,  
This is just the way I am.  
I really wanna tell you something,  
but I can't?  
You make me want to be a man!  
Arguments that have no meaning;  
This is just the way I am.
