

Hikaru Utada, You Make Me Want To Be A Man

I really wanna tell you something,
This is just the way I am.
I really wanna tell you something,
but I can't?
You make me want to be a man!
Arguments that have no meaning;
This is just the way I am.
You really wanna tell me something,
but you can't?
You make me want to be a man!
The thunder and the rain called you when you came.
We didn't need to say much to communicate.
Now it's different,
99% is misinterpreted?
I really wanna tell you something,
This is just the way I am.
I really wanna tell you something,
but I can't?
You make me what to be a man!
Arguments that have no meaning;
This is just the way I am.
You really wanna tell me something,
but you can't?
You make me want to be a man!
Every word you say finds a home in me.
Nothing anyone could ever say could hurt me like this.
Baby please don't light that cigarette,
Don't light that cigarette?
I really wanna tell you something,
This is just the way I am.
I really wanna tell you something,
but I can't?
You make me want to be a man!
Arguments that have no meaning;
This is just the way I am.
You really wanna tell me something,
but you can't?
You make me want to be a man!
I really wanna tell you something,
This is just the way I am.
I really wanna tell you something,
but I can't?
You make me want to be a man!
Arguments that have no meaning;
This is just the way I am.
You really wanna tell me something,
but you can't?
You make me want to be a man!
