

Hilary Duff, Crash World

Crash

That was you and me
Started out so innocently
Shattered on the ground
I hear the sound

Crash

Ringing in my ears
I still feel the sting of my tears
Someone wake me
I can't seem to break free

[Chorus]

Go on

Get out of my head
Im on the wrong side of a parallel universe
Am I alive or just dead
I've been stumbling in the dark
Living in a crash world

Hush

Dont say one more word
At this point the truth seems absurd
Cause who we were
Is gone forever

Crash

Underneath the fears
Everything's so twisted and weird
Someone save me
I cant seem to break free

[Chorus]

Go on

Get out of my head
Im on the wrong side of a parallel universe
Am I alive or just dead
I've been stumbling in the dark
Living in a crash world

[Other people] Crash world, yeah yeah

Slow motion

Devastation

Should'n seen it coming

But I couldnt do nothing

emotion

Desperation

Someone save me

I cant seem to break free

[Chorus]

Go on

Get out of my head
Im on the wrong side of a parallel universe
Am I alive or just dead
I've been stumbling in the dark
Living in a crash world

[Reapeat twice]

[Other people] say twice Crash world, yeah, yeah
