

# Hilary Duff, Cry

Cry love  
Cry war  
Cry innocence  
That is lost forever more  
Cry joy  
Cry thief  
Cry beautiful  
That is just beyond belief somewhere

Cry at the end  
Cry cause it all begins again  
Here you are  
And so am I  
And we cry

Cry alone  
Cry to me  
Cry freedom  
Then let yourself be free  
To shed the tears  
That have to flow  
To hold somebody close to you  
And then to let them go

Cry at the end  
Cry cause it all begins again  
Here you are  
And so am I  
And we cry

Cry peace  
Cry hate  
Cry faithlessness  
Then just have a little faith

Cry at the end  
Cry cause it all begins again  
Here you are  
And so am I  
And we try to be true  
Try cause we're only passing through
