

Hilary Duff, Dreamer

(Verse One)

Bum (x30)

I'm at the grocery store and there you are just watching me (Bum x11)

Pick up my clothes from the cleaners and look who I see (Bum x11)

I try to lose you in my car but you won't go away

Come on buddy, don't you think you've overstayed your stay

Don't you have better things to do with your life

Then hang around and stare at me and complicate mine

Your eyes must burn so bad cause you haven't blinked

You and me will never be if that's what you think

(Chorus)

Oh you're such a dreamer

But I'm not a believer

In all the things that you dream

Stop watching me

Stop watching me

(Verse Two)

Bum (x15)

I go to bed and I wake up, isn't that interesting? (Bum x11)

I brush my teeth and feed my dogs, isn't that thrilling?

(Don't you think that's thrilling, oh don't you think?)

It must be fun to follow me, pretending we're a thing

It's just so messed up, can't you see that you're just scaring me?

(Chorus)

Oh you're such a dreamer

But I'm not a believer

In all the things that you dream

Stop watching me

Stop watching me

Oh you're such a dreamer

But I'm not a believer

In all the things that you dream

Stop watching me

Stop watching me

(Middle-8)

Don't you have better things to do with your life

Then hang around and stare at me and complicate mine?

Don't you have better things to do with your life

Then hang around and stare at me and complicate mine?

(Chorus)

Oh you're such a dreamer

But I'm not a believer

In all the things that you dream

Stop watching me

Stop watching me

Oh you're such a dreamer

But I'm not a believer

In all the things that you dream

Stop watching me

Stop watching me

Stop watching me

Stop watching me

Stop watching me
