

Hilary Duff, I'll Be Ready

ooooohhhhh

You always call me up
Ask me out or get me up
i'm always out of time
Seems like i have to call a magical rhyme

chorus

If you call me up real early
I'll be ready
waiting for you
If you don't really care bout me
I'll be ready
to be hurt

ooooooooooooooooo oo

You know when i take my shower
and you know you me every hour
I'll be ready

Chorus 2x

I'll definetly be ready
I hold my head up i'll be ready for you
ooooooooo

Chorus

I'll be ready
