

# Hilary Duff, Now You Know

In these eyes  
More than words  
More than anything that I've spoken  
As the skies turned to gray  
My heart's just about to crack open  
So the story goes  
There's something you should know  
Before I walk away  
and I blow the ending

[Chorus]  
I never wanna be without you  
Oh no, here I go  
Now you know  
What I feel about you  
there's no running  
I must have been wrong to doubt you (You)  
Oh no  
There I go  
No control  
And I'm fallen  
So now you know

Feel so light  
Craving oxygen  
All this truth's left me empty  
Will you run  
Can you handle it  
Cause I need you to tell me  
Maybe this is bold  
But I'm hoping you'll stay for the happy ending

[Chorus]  
I never wanna be without you  
Oh no, here I go  
Now you know  
What I feel about you  
there's no running  
I must have been wrong to doubt you (You)  
Oh no  
There I go  
No control  
And I'm fallen  
So now you know

No I won't look back  
When I tell you what I think about you (You)  
No I won't look back  
When I tell you what I think about you (You)

So the story goes  
Yeah  
You already know  
So don't be a fool  
And go spoil the ending

[Chorus]  
I never wanna be without you  
Oh no, here I go  
Now you know  
What I feel about you (you)  
There's no running  
I must have been wrong to doubt you (You)  
Oh no

There I go  
No control  
And Im fallen  
So now you know  
[Chorus- Repeat twice]
