

Hilary Duff, Party Up (Remix)

You
Are driving me out of my mind
'cause you
Take me everywhere but out at night
What more do you need for me to get with you?

(Chorus)
I didn't see this coming
Why don't you sign me up?
There's no more messing around
(Come on and light me up)
This could be the start of something
Why don't you party up?
Time for you to come on down

La la la la la la
La la la la la la
La la la la la la

I
Dream about it in my sleep
And you
Seem to like me better when I creep
This time
I won't lose. . .

(Repeat Chorus)

La la la la la la
La la la la la la
La la la la la la

La la la la la la
La la la la la la
La la la la la la

Hey
Hey

You know me
You used me
You loved me
And then
You ran me out
But threw me in
And used me again
You love me
You hate me
you say its the end
I know you're gonna do it again
And again
And again
And again
And again
Hey!

(Repeat Chorus)

I, I, I, I, I, I, I
I, I, I, I, I, I
I, I, I, I, I, I, I

(Come on and light me up)

I, I, I, I, I, I, I
I, I, I, I, I, I
I, I, I, I, I, I, I

(Repeat Chorus)
