

# Hilary Duff, Play With Fire

I can't believe it's really you  
Been so long, you look good  
I hear you're doing really well  
Don't ask me, let me tell you  
How I've been since when you left  
Since you left me for death

Finally every tear has dried  
I've wiped you from my life

Do you remember all the times you said you'd call me  
'Cause I remember all the reasons people warned me

And now I hear you saying that you still adore me  
But if you think I'd ever get with you again  
Then you can just

Love me, love me  
Feed the flame  
If you want me back again

Burn into the sky  
Higher and higher  
Baby, can you play with fire

(Burn into the sky)  
Love me, love me  
(Far into the sky)  
If you want me

You never know just what you got  
'Til it's gone, you freak out  
But I'm not falling for that game  
Boys like you never change  
You made me feel I wasn't enough  
Wasn't enough for your love

But it was insecurity that made you run  
It wasn't me

So don't you sit there trying to  
Give me more excuses  
I don't have time for this  
I'm off to play in Houston  
And I'm too busy with the millions things I'm doing  
You can't make up for what you've done  
But you still try to be the one

Love me, love me  
Feed the flame  
If you want me back again

Burn into the sky  
Higher and higher  
Baby, can you play with fire

(Burn into the sky)  
Love me, love me  
(Far into the sky)  
If you want me

Ooh, by the way, by the way  
I've found someone who gives me space  
Keeps me safe

Makes me sane  
Found someone to take your place  
Now I'm safe in his arms  
And I decided only he can play with fire

Love me, Love me  
Feed the flame  
If you want me back again

Burn into the sky  
Higher and higher  
Baby, can you play with fire

I can't believe it's really you  
(Love me, love me)  
I hear you're doing really well  
(If you want me)  
Finally every tear has dried  
(Love me, love me)  
Can boys like you, boys like you  
Play with fire
