

# Hilary Duff, Rock This World (Remix 2005)

Everybody wants something  
That seems to hard to get  
So I sit here on the street in Venice  
waiting for the sun to set  
Watching people living lives  
Wondering what means  
Sometimes getting what you want  
Is easier than it seems

I don't wanna save the day  
I just wanna get my way and

[CHORUS]

Rock this world  
Read my lips and watch 'em curl  
Rock this world  
It don't take much to please this girl  
I don't need the glitter  
Don't believe the hype  
You might say I'm the simple type  
Like any other girl  
Who wants to rock this world

Everybody's going somewhere  
So why don't you and I?  
We're all part of the same parade  
Just people passing by  
And anything can happen  
When the sun goes down like this  
Maybe it's just a miracle  
When you find some happiness

I don't wanna save the day  
I just wanna get my way and

[REPEAT CHORUS]

People, can you hear me?  
I want you to come near me  
Can you feel the pull  
It can be so beautiful

Rock this world  
(Rock this world)  
Read my lips and watch 'em curl  
(Rock this world)  
Rock this world  
(Please this girl)  
It don't take much to please this girl  
(Rock this world)  
I don't need the presents  
Don't believe the hype  
You might say I'm the simple type  
Like any other girl  
Who wants to rock this world

Rock this world  
[Repeats and fades away]
