

Hilary Duff, So Yesterday

You can change your life - if you wanna
You can change your clothes - if you wanna
If you change your mind
Well, that's the way it goes

But I'm gonna keep your jeans
And your old black hat - cause I wanna
They look good on me
You're never gonna get them back

At least not today, not today, not today
'cause

[Chorus:]
If it's over, let it go and
Come tomorrow it will seem
So yesterday, so yesterday
I'm just a bird that's already flown away

Laugh it off let it go and
When you wake up it will seem
So yesterday, so yesterday
Haven't you heard that I'm gonna be okay

You can say you're bored - if you wanna
You can act real tough - if you wanna
You can say you're torn
But I've heard enough

Thank you... you made my mind up for me
When you started to ignore me
Do you see a single tear
It isn't gonna happen here
At least not today, not today, not today
'cause

[Chorus]

If you're over me, I'm already over you
If it's all been done, what is left to do
How can you hang up if the line is dead
If you wanna walk, I'm a step ahead
If you're moving on, I'm already gone
If the light is off then it isn't on
At least not today, not today, not today
'cause

[Chorus 2X]
