

Hilary Duff, Wake-Up ? DJ Kaya Long-T Remix

Theres people talking
They talk about me
They know my name
They think they know everything
But they dont know anything
About me

Give me a dance floor
Give me a dj
Play me a record
Forget what they say
Cause I need to go
Need to getaway tonight

I put my makeup on a saturday night
I try and make it happen
Try to make it all right
I know I make mistakes
Im living life day to day
Its never really easy but its ok

Wake Up Wake Up
On a saturday night
Could be New York
Maybe Hollywood and Vine
London, Paris maybe Tokyo
Theres something going on anywhere I go
Tonight
Tonight
Yeah, tonight

The cities restless
Its all around me
People in motion
Sick of all the same routines
And they need to go
They need to get away
Tonight

I put my makeup on a saturday night
I try and make it happen
Try to make it all right
I know I make mistakes
Im living life day to day
Its never really easy but its ok

Wake Up Wake Up
On a saturday night
Could be New York
Maybe Hollywood and Vine
London, Paris maybe Tokyo
Theres something going on anywhere I go
Tonight
Tonight
Yeah, tonight

People all around you
Everywhere that you go
People all around you
They dont really know you
Everybody watching like its some kind of show
Everybody watching
They dont really know you now
(They dont really know you)

(They dont really know you)
And forever

Wake Up Wake Up
On a saturday night
Could be New York
Maybe Hollywood and Vine
London, Paris maybe Tokyo
Theres something going on anywhere I go

Wake Up Wake Up
On a saturday night
Could be New York
Maybe Hollywood and Vine
London, Paris maybe Tokyo
Theres something going on anywhere
I go
Tonight
Tonight
Yeah, tonight
