

# Hilary Duff, What Christmas Should Be

What wishes will you make  
When the season is near  
Will your dreams be the same  
As they were last year

Will you ask for a little  
Will you ask for a lot  
And when you make your list  
Will there be something you forgot

How about peace on earth  
It can't be bought or sold  
How about peace this Christmas  
And someones hand to hold  
How about love in our hearts  
And hope for you and me  
How about peace on earth  
That's what Christmas should be

Will you get all the things  
That you've been waiting for  
Snowfall and presents  
Choire singing at your door

This season will be perfect  
Like those picture postcards seem  
But is that the answer  
Is that what Christmas really means

How about peace on earth  
It can't be bought or sold  
How about peace this Christmas  
And someones hand to hold  
How about love in our hearts  
And hope for you and me  
How about peace on earth  
That's what Christmas should be

What would you sacrifice  
What would you give away  
For the greatest gift of all  
On Christmas day

How about peace on earth  
It can't be bought or sold  
How about peace this Christmas  
And someones hand to hold  
How about love in our hearts  
And hope for you and me  
How about peace on earth

How about peace on earth  
It can't be bought or sold  
How about peace this Christmas  
And someones hand to hold  
How about love in our hearts  
And hope for you and me  
How about peace on earth  
How about peace on earth  
That's what Christmas should be

Merry Christmas  
Merry Christmas  
Merry Christmas
