

Hilary Duff, Who's that girl

There were places we would go at midnight There were secrets that nobody else would know There
Chorus: Who's that girl? Where's she from? No she can't be the one That you want That has stolen
Seems like everything's the same around me Then I look again and everything has changed I'm no
Chorus: Who's that girl? Where's she from? No she can't be the one That you want That has stolen
I'm the one who made you lough Who made you feel and made you sad I'm not sorry For what we
Chorus: Who's that girl? Where's she from? No she can't be the one That you want That has stolen
