

Hilary Duff, Who's that girl

There were places we would go at midnight
There were secrets that nobody else would know
There were
Chorus: Who's that girl? Where's she from? No she can't be the one
That you want That has stolen
Seems like everything's the same around me
Then I look again and everything has changed
I'm not
Chorus: Who's that girl? Where's she from? No she can't be the one
That you want That has stolen
I'm the one who made you laugh
Who made you feel and made you sad
I'm not sorry
For what we
Chorus: Who's that girl? Where's she from? No she can't be the one
That you want That has stolen
