

# Hill Lauryn, Ex-Factor

It could all be so simple.  
But you'd rather make it hard.  
Loving you is like a battle  
and we both end up with scars.  
Tell me who I have to be  
to get some reciprocity.  
See no one loves you more than me  
and no one ever will.  
No matter how I think we grow  
you always sem to let me know it ain't workin'  
No, and when I try to walk away  
you'd hurt yourself to make me stay.  
This is crazy. Oh this is crazy.  
Care for me, care for me.  
I know you care for me.  
There for me, there for me.  
Said you'd be there for me.  
Cry for me, cry for me.  
You said you'd die for me.  
Give to me, give to me.  
Why won't you live for me?  
Care for me, care for me.  
You said you'd care for me.  
There for me, there for me.  
Said you'd be there for me.  
Cry for me, cry for me.  
You said you'd die for me.  
Is this just a silly game  
that forces you to act this way?  
Forces you to scream my name  
then pretend that you can't stay.  
Tell me who I have to be  
to get some reciprocity.  
See no one loves you more than me  
and no one ever will.  
No matter how I think we grow  
you always sem to let me know it ain't workin'  
No, and when I try to walk away  
you'd hurt yourself to make me stay.  
This is crazy. Oh this is crazy.  
Care for me, care for me.  
I know you care for me.  
There for me, there for me.  
Said you'd be there for me.  
Cry for me, cry for me.  
You said you'd die for me.  
Give to me, give to me.  
Why won't you live for me?  
Care for me, care for me.  
You said you'd care for me.  
There for me, there for me.  
Said you'd be there for me.  
Cry for me, cry for me.  
You said you'd die for me.  
I keep letting you back in.  
How can I explain myself?  
As painful as this thing has been,  
I just can't be with no one else.  
See I know what we got to do.  
You let go, and I'll let go too.  
'Cause no one's hurt me more tha you  
and no one ever will.  
No matter how I think we grow  
you always sem to let me know it ain't workin'

No, and when I try to walk away  
you'd hurt yourself to make me stay.  
This is crazy. Oh this is crazy.  
Care for me, care for me.  
I know you care for me.  
There for me, there for me.  
Said you'd be there for me.  
Cry for me, cry for me.  
You said you'd die for me.  
Give to me, give to me.  
Why won't you live for me?  
Care for me, care for me.  
You said you'd care for me.  
There for me, there for me.  
Said you'd be there for me.  
Cry for me, cry for me.  
You said you'd die for me.  
Where were you when I needed you?  
Care.  
There.  
Cry.  
Give.  
(Repeat and fade)
