

Hill Of Beans, Satan Lend Me A Dollar

Chorus:

Satan, Satan lend me a dollar
Satan, Satan lend me a dollar now!

I have no money to pay my rent
All my money has been spent
I pray to God I get no reply
Satan please hear my cry:

Chorus

All I see is pain and death
And lots of people with bad breath
They say the world has gone to Hell
That would be just as well

Chorus

Accordian breakdown

Bridge:

If you could spare a dime, that would sure
be grand
Won't you come up and lend a helping hand
I sit here with no food upon my shelves
Because all the "good" people want the money for themselves

Chorus

The IRS it really sucks
Uncle Sam took all my bucks
They buy big bombs it makes me mad
You wouldn't be half so bad

Chorus
