

# Hillsong United, Air I Breathe

Hold me, in your arms  
Like a new born child  
I'm desperate, lord  
For more of you

Touch me, with your love  
Deep within my heart  
I'm waiting, lord  
For more of you

May your words of love  
Wash over me  
May your songs of grace  
Cover me

More than the air I breathe today  
I need you  
More than the desert needs the rain  
I need you  
More than the air breathe today  
I need you  
More than to live another day  
I need you
