

Hillsong United, Glorify Your Name

Jesus Jesus
Holy One, God's precious Son
You gave

Jesus Jesus
On the cross You took my shame
Forever from my heart I'll say

I live to worship You, Lord
My King of glory
Brought me to life
Gave me wings to fly
You are holy
Heaven and earth declare Your praise
Both now and evermore
I glorify Your name

Jesus Jesus
On the cross You took my sin
Forever from my heart I'll sing

You are holy
Glorify Your name
Jesus Jesus Jesus
I glorify Your name
