

Hillsong United, Jesus, I Adore You

"I open my life to You
Lord, I want to be pure
Jesus, You're breath to my soul
You know what I think, what I feel.

Jesus, I adore You
To You my Saviour, I will sing
You know me through and through
You're closest to my heart than one could be
And Jesus, I adore You
I love You with the deepest of my soul
I rest inside your arms
and I trust You to lead me on."
