

Hillsong United, Love Enough

Your love's enough to see the broken hearts
Gain a brand new start with a brand new heart
As the faithful hope in things unseen
You're enough to see all the things they dream
Come to life

We're living in the Saviour today
And this day is what we have now
In this moment we have chosen to praise
And it's changing how we live now

Your love it broke my fall
It's more than enough and I need it
Cause I've never known better
And I'll never know better

This love will see me soar
It's more than enough and I need it
Cause I've never known better
And I'll never know better

Your love's enough to see the humbled man
Find the cause of Christ
With his outstretched hands
As the cripple grabs his mat to walk
You're enough to save him from the pain he bore

My Saviour
You'll never let me go
My life is now secure

My Saviour
You'll never let me go
And in Your hands my future's brighter
