

# Hillsong United, Prayer To The King

We seek the Son of God  
We seek the Risen Lord  
We seek the King of kings  
The Savior of the world

We give our lives to You  
We choose to follow You  
We believe in You  
We worship You

We seek Your face and  
Humble ourselves here  
The fire of God  
Consuming the hearts of man

Nations will bow to You  
Kingdoms will shake before  
You  
We pray for revival
