## Hillsong United, Revolution

One generation living salvation Here we go Seeing revival we will defy all That holds us back from You

So we will rise together And with one voice to say

Jesus is our Saviour There will be no other We will shout it out We want the world to know

One generation living salvation Living for You Seeing revival we will defy all That holds us back from You

This is the generation
We live devoted to Your Name
This is the revolution
We will not leave this world the same
cause we want the world to know
We want the world to know
We live our lives for You
In all we say and do
We want the world to know
We want the world to know
